SPINOZA LECTURE, open to all

WHEN RESEARCH FINDINGS HIT THE GLASS WALL:

WHY CAN'T WE GET RESEARCH
FINDINGS IN CLINICAL PRACTICE?

Regina Kunz, MD, MSc (Epi)

Professor for Insurance Medicine, Internist, Nephrologist, Clinical Epidemiologist and Head of EbIM, Evidence based Insurance Medicine, Dept of Clinical Research, University Hospital Basel, Switzerland Medical Faculty, University Basel.

The Organization Committee of the SPINOZA CHAIR, set up by the Amsterdam University Association on behalf of the Faculty of Medicine of the University of Amsterdam, has awarded the SPINOZA CHAIR to Professor KUNZ, October 23-25, 2018.

Regina Kunz has dedicated her academic career to clinical epidemiology with a focus on research methodologies for patient care and knowledge transfer. She is board member of the GRADE working group and recently initiated the Cochrane field Insurance Medicine. As such her research concentrates on facilitating return to work in people on sick leave, and in critically evaluating independent medical assessments.
